Dear Mr James Fleming,

thank you very much for your interest in our Volkswagen Classic Parts certificates.

We are glad to know you amongst our customers as an owner of a classic Volkswagen and present to you this certificate with all historic details regarding your car.

With the help of a deep research, we put together, the exact data of your car as it was the day it left the factory.

All figures you find in this certificate were found in our Volkswagen archive. In this list, we show all data of your car from the day it was new. All of this we were able to find by the supply of your Chassis number.

We cannot list all other features added to the car afterwards. We can only supply the information we find in our archive.

Volkswagen Classic Parts cannot take the responsibility or guaranty for the delivery status of any car but we investigated the information you find thoroughly.

We wish you all the best and many happy miles with your Volkswagen!

Yours sincereley
