I would like to thank each of you for taking the time and making the arrangements to bring your car to St. Chanes, IL for the 2003 Bloomington Gold Special Collection, and 2008 Hall of Fame Induction. We have an outstanding group of L88 Corvettes, and six great Corvettes to induct into the Bloomington Gold Hall of Fame.

The Special Collection & Hall of Fame will be located inside the 20,000 square foot DuPage Expo Center, directly across from the Pheasant Run Resort, off Rt. 64. There will be room to unload at the DuPage Expo. You can then take your trailer to the trailer parking area (be sure to check with gate staff for parking location). If you are staying at Pheasant Run, you will receive a window sticker that will give you access and parking.

To facilitate placing the cars, I'm asking that 1969 & Hall of Fame cars arrive between 8 and 10 AM, and 67 & 68 cars arrive between 10AM and Noon. Please have your fuel level below 1/8th, as the Fire Marshall will check all cars. The format for our event is museum style with low stanchions surrounding each group of cars. Please feel free to bring documentation scrapbooks and photos with you and plan to spend as much time as you can with your car and talking with the spectators. Please note the special Thursday evening L88 Preview Party (invitation only); and L88 Video Premier.

INVITATION TO THE "SPECIAL COLLECTION"

Dear Mr. Shappley,

On behalf of Bloomington Gold Corvettes U.S.A., I am pleased to inform you that your 1969 Corvette V.I.N. 194679S710164 has been selected to appear in the "SPECIAL COLLECTION". The "SPECIAL COLLECTION" is one of the feature attractions at America's number one Corvette Show. This years show will take place June 23 to 26, 1988.

The "SPECIAL COLLECTION" has become known as the most prestigious event that a Corvette can participate in. Being a part of the "SPECIAL COLLECTION" is by invitation only. This years show will feature L-88s and will also contain the "SPECIAL COLLECTION" Silver Salute to the 1963's. Represented among the 34 to 38 cars will be some of the fastest, most unusual and rare special interest Corvettes ever to gather at one place at one time.

The public display is a museum like setting which groups the cars in ways that are attractive and facilitates easy public viewing. A tasteful floor barrier surrounds each group of cars and also serves as the easel on which information is placed that concerns each car. The Collection is shown in the ballroom of the Bone Student Center at the Illinois State University, highly secure, climate controlled, with great lighting and music.

Being a part of this entertaining and spectacular show brings many benefits to both the cars and their owners. A significant amount of national public recognition, and a definite upward appreciation in the value of the cars inducted into the "SPECIAL COLLECTION". You will receive a unique document to commemorate the cars appearance in the Collection as well as the "SPECIAL COLLECTION" pin. Your car will also be an integral part of any group photograph, poster or panoramic view that is produced to commemorate the historic event.

We want you to be a part of it.

Within the next few days you will receive the information forms and directions to the location.
